Message from the President

Ciao A tutti

Amazing, Amazing, Amazing! That's all I can say about our Installation Dinner. A special thank you to Lucille O'Day and all of her volunteers for putting on such a great event. The room looked elegant and the food was over the top thanks to Chef Michael and our great staff. I had the honor of being sworn in by my nephew, and godson Jimmy Gagliano. Frank Saffi entertained us with the best music I've heard in a long time. Great job! This month just kept on getting better and better. We had our Latin Pub Night and the place was packed. Tito rocked the house and everyone danced the night away. Our very first Father's Day Luncheon was also a huge success with a fantastic buffet and great entertainment by Phil Farino. If you didn't attend any of these events, ask someone who did and see what you missed. The Board and I and all of the volunteers have been putting in 110% of our time to have these fantastic events and we urge you to please attend them.

July is going to be a very busy month for us starting off with our "Proud To Be American" Dinner Dance. The date is July 11 and we will be having a BBQ Buffet & entertainment by our very own Vic Paci. Tickets are on sale now. Veterans if you have any pictures of yourself from the past please give them to Lucille so we can try and guess who you are. My picture from the service will be up there and who ever finds it will be put in a hat for a drawing of 2 free meals and 2 free drinks. (Hint) I only weighed 125 lbs lol.

This month, as I have mentioned we will be opening every Thursday night starting July 9 from 5-10PM. There will be a limited menu and soft entertainment. So, if you aren't doing anything that night and feel like getting out, join us for some great guitar/soloists and maybe a pizza. And of course the bar is always open. There will be a list of who is playing each night in our newsletter.

Coming July 18, Saturday Night Pub Night with "Beach Street A Go Go". This group is great! Do you like the sounds of the 60's and 70's? Then you don't want to miss this. 7-11:00PM, ten dollars at the door and free appetizers. What a great month we have in store for you. I hope to see all of you at all of the events

I am truly honored to be your President for the next year again. We have "The Best Club on the Strip" and I want to keep it that way with all of your help. Please pray for those members who are in need of prayers and remember **"THIS IS OUR CLUB AND OUR FAMILY"**.

Grazie a Tutti - Chuck Buglione, President

Joe Abitante/Anne Marie Walker - Joe spoke of the cruise fundraiser for the club Oct 29-Nov 5. \$50/cabin will be donated back to the club. Anne Marie said there is a bus \$65/person roundtrip.

Tom Mayne asked if we will still have salad and soup on Tuesday. Yes. Tom said he had spoken to Kitchen Liaison Eugene Tontodonato with comments regarding the consistency of the food coming out of the kitchen. Tom said he knew the food costs were being worked on. Suggested sharing the food costs with the members as some may be interested. President Chuck said yes food costs were something being worked on.

Lois BigMountain asked who would be attending Thursday nights. President Chuck said members and guests. There will be no cover charge. Cost to attendees would be food and drinks.

Joe Abitante asked if any members had ideas for advertising events. President Chuck said we can get the information on the Craig Flagler Palms Community Calendar that is on the local radio station.

Eugene Tontodonato reported that we donate money every year to the local library for them to use to purchase Italian Heritage Books/Tapes/CD’s.

President Chuck asked Parliamentarian Ric Giumenta to clarify the position of a liaison.

Ric used the example of the Kitchen Liaison. The Kitchen Liaison is to bring issues to the BOD. When a member has an issue with the kitchen they should go to the Director on Duty or the President not the Kitchen Liaison. The Kitchen Liaison does not have member contact.

Question from a member – how does a member know who the Director on Duty is? The Director on Duty name is posted in the bar area. The bartenders and servers all know who the Director on Duty is.

Rosanne Vastano asked what happened to the sign on the stage. President Chuck said it would be back up after the work on the stage is completed.

A complete copy of the minutes is on file for your review at the club office.

Secretary Honora Giumenta

THE MONTHS OF THE YEAR

Last month we learned that June is named after the Roman goddess, Juno. So what about the rest of the months? Ancient Rome has an impact on many things we take for granted today. A large part of the English language is of Latin derivation. It is a combination of many tongues from the British Isles and from the Anglos and Saxons from Northern Europe. Latin and French also had a significant impact. Almost seventy percent of the English words are of Latin origin. They either came directly from Latin and/or through French which is a Latin language, like Italian, Spanish, Portuguese and Romanian.

When the Romans conquered much of England they remained for over five-hundred years. That period of time the most important language was Latin. After the Romans left, the tribal tongues of British people altered the language. Following the Romans were the Anglos and the Saxons from Northern Europe, they too were there for five hundred years. Then the French arrived in 1066 and remained for a few hundred years. While present in England, French was the language of the court. Besides all of this, we have the impact of the Roman Church whose language was Latin. Thus as an end result, for the months of the year and the days of the week origins are as follows:

All of the months of the year are Roman derivatives, January –*Januariis* the god of the beginning and the end, who is depicted as having two faces, one looking ahead the other behind. February – *Februarius* were strips of skin of freshly sacrificed goats which the Romans used in a ceremony to thrash away evil spirits, a purification rite. March – *Martius* Roman god of war, April – *Aprilis* meaning opening of spring, May- *Maius* a female goddess related to growth, *Juno*, the wife of Jupiter among other things, July- *Julius Gaius Caesar*, the great Roman statesman and general, August - is named after *Augustus Caesar*, whose real name was Gaius Octavius, he was the founder of the Roman Empire, and grand-nephew of Julius Caesar. He had the sixth month Sextilius, changed to *Augustus*, after himself and the fifth month *Quintilis*, to *Iulius* or July. The rest of the year each month is named a number September, *Septembribus* is seven, October, *Octobribus* is eight, November, *Novembribus*, is nine and December, *Decembribus* is ten.

Julius Caesar changed the calendar to what is known as the Julian Calendar in 45 BC. Before that the Romulus calendar was in use. It only had ten months and was a lunar calendar that ran as such Martius, Aprilis, Maius, Iunius, Quntiliis, Sextilis, Septembribus, Octobribus, Novembribus and Decembribus.

In 1582 Pope Gregory XIII changed the calendar to what we use today. The changes were in the time elements only. All of this brings to mind the days of the week, which, in contrast, are of Germanic origin except for Saturday which the Romans named Saturnalia, a Roman festival celebrated in December. The rest of the days are named after Germanic gods and goddesses, Monday- Moon day, Tuesday –Tyr's day, the war god, Wednesday, Woden's day, who is equivalent to Jupiter and Zeus, Thursday for Thor's day the god of thunder, Friday-Freyja's day for the goddess of atmosphere and Sunday for the Sun.
